RS 700S

Categories: Radial Arm Saw

RADIAL ARM SAW RS 700S

TECHNICAL DATA

Max cutting width	mm 20x570
Min cutting width	mm 200x400
Max cutting height	mm 200
Blade diameter	mm 565
Number of bearings	8
Motor power	HP 7,5

Motor speed	rpm 2800
Weight	kg 300

CE EQUIPMENT

- Blade not included
- Spring-operated carriage return
- Self-braking motor
- Electrical system equipped with motor-overload protection and emergency button
- Protection case for complete blade covering
- Sound-insulated blade guard made of steel
- Well-dimensioned rear hood, ready to be connected to a dust collector
